New Mexico
International School
foundation

NEW MEXICO INTERNATIONAL SCHOOL FOUNDATION (NMISF) is a 501(c)(3) non-profit foundation formed to promote and support education for New Mexico children, New Mexico International School, and other educational organizations.

New Mexico International School (NMIS) is a tuition-free public charter school open to all students in grades K-6. NMIS is part of the International Baccalaureate (IB) program, a global network of schools and educators dedicated to developing inquiring, knowledgeable, and caring young people who create a better world through intercultural understanding and respect.

The study of a second and third language is a required component of every NMIS student.

Students are immersed in Spanish in kindergarten. In fourth grade, students begin to learn Arabic. The goal is to foster fluency in Spanish and conversational skills in Arabic by the time students graduate 6th grade. All students participate in the Suzuki Violin program. NMIS offers an enriched art program twice a week to every student in the school.

OPEN

The NMISF Golf Classic is expected to draw over 100 players and over 50 participating local businesses will be featured in our advertising for the event. Are you local? Do you support education for New Mexico children? Do you support fine arts in schools? We would love to have you become a sponsor today!

All sponsors will also reach over 200 NMIS families. We would mention and advertise your business on our Facebook page, in our school newsletter, and in other communications.

Thank you - we could not do it without community support!
